Enter the radius of the cylinder :
4
Enter the height of the cylinder :
5
volume of cylinder is:251.20000000000002
surface area of cylinder is:125.60000000000001
Enter the radius of the cone :
5
Enter the height of the cone :
6
volume of cylinder is:157.0
surface area of cylinder is:201.1209199117345
Enter the radius of the sphere :
3
volume of cylinder is:113.04
surface area of cylinder is:113.03999999999999
